I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE DART OF LONGING LOVE: DAILY READINGS FROM THE CLOUD OF UNKNOWING (PAPERBACK)

Darton, Longman Todd Ltd, United Kingdom, 2004. Paperback. Book Condition: New. 156 x 105 mm. Language: English . Brand New Book. The Dart of Longing Love is a companion volume to the warmly received Enfolded in Love, and seeks to do for the fourteenth century Cloud of Unknowing what the earlier book did for Julian of Norwich's Revelations of Divine Love. In its pages will be found the heart of the Cloud, translated into modern English and, it is hoped, all that is needed to help those drawn to the way of contemplative prayer to pursue their calling, supported by the encouragement and wisdom which the Cloud provides. The author of the Cloud is unknown, but the style reveals a lively and vigorous mind, possessing a shrewd knowledge of human nature and a strong sense of humour. The book can be read straight through in one or two sessions, and then taken daily over the period of one or two months for which it is designed. Several passages from contemporary spiritual works are also included to help the modern reader further on the road of which the Cloud speaks. This book is part of the acclaimed Enfolded in Love series of books which presents selections from the spiritual classics in a form suitable for daily reading and meditation.
