WATERMARK (PAPERBACK)

Anniversary Press, Limited, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Water has always played a key role in human society. But could it have been the major environmental pressure that drove human evolution? Dr Alec Whickham thinks so, and when he finds the remains of a human ancestor on the shores of Lake Turkana in Kenya it s a dream come true. But not everyone shares his excitement at the find and soon a murder mystery overtakes the archaeology team s investigations. Now the team and the police have a more immediate puzzle to solve, and they need to do it quickly, before someone else dies. Academic rivalry is a powerful motivator, but could it really lead to the crime of murder? Detective Inspector Elaine Kelly is catapulted into a world of suspicion, intrigue and fierce debate as she tries to unravel the case. She is helped by Dr Joseph Connor, an experienced academic with a questioning mind. But the questions he tries to answer in this case could get him killed. Having decided to read a few pages this...
