By American Physical Association

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 Excerpt: . The additional income from this source is used for promotion purposes. There is yearly a greater demand for the Review from libraries, colleges and schools. The book business has grown almost beyond the capacity of the editor's present staff. There are well-nigh daily requests from educators and school boards for bibliographies of physical education and hygiene and information concerning the best material on special phases of these subjects. In short, the home of the editor-secretary is becoming more and more a clearing house for in Physical Directors 44, Interested Individuals 15, Institutions 24. formation on these topics, in so much that I am credibly informed that he and his wife are likely to have to put up a tent and, live in the yard. Largely through the interest and generosity of Mr. Herbert L. Pratt of New York City, Dr. McCurdy has been enabled to...

Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

-- **Giovanny Rowe**

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

-- **Mabelle Dach III**
