Stewart, Tabori Chang Inc, United States, 2011. Hardback. Book Condition: New. 236 x 206 mm. Language: English . Brand New Book. Oiver + S Little Things to Sew is a collection of 20 accessories and other small sewing projects to make for children from Oliver + S, a successful new sewing pattern company headed by popular designer Liesl Gibson. The company Oliver + S is known for blending its fresh, modern style with a classic sensibility, as well as for its detailed, easy to follow pattern instructions. Projects in Oliver + S: Little Things to Sew include whimsical yet practical items for children, such as a hat, scarf, vest, tutu, art smock, backpack, messenger bag and quilt. Two pullout pattern sheets provide sewers with all of the instruction they need to be successful. In addition, the Oliver + S Little Things To Sew package includes two cardstock paper dolls and illustrations of projects from the book for the paper dolls to wear. (The illustrations are printed on the book s dust jacket and can be cut out.) Oliver + S is known for including paper dolls images with all of their individual patterns, so including the paper dolls in the book is a natural celebration of their brand and also sets this book apart from all others (see).
