Samhain Publishing. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.4in. x 5.4in. x 0.7in. The heat he brings isn't movie magic. It's real. Monsters in Hollywood, Book 5 Cali knows exactly what will happen if her latest movie fails. It won't just destroy her directing career and company, Calypso Productions. It might mean global war, and the extinction of an entire race of beings—the monsters. The last thing she can afford is distraction in the form of a midnight-haired, caramel-skinned monster who can literally bring on the heat. Seling enjoys humans, and not, as some have suggested, as a snack. As one of the stars of a movie that will allow his people to come out of hiding, he especially enjoys watching the movies intensely focused, human director. After one particularly frustrating day on the set, Cali and Seling give in to a blistering night of pleasure. Seling wants more; Cali isn't ready to risk her heart. But it all may become moot when someone leaks raw footage that could incite the very panic they're trying to avoid. And the only way to find the culprit is to unleash a monster so dangerous that it's like bringing a nuclear bomb to a knife fight. Warning: This title contains a strong-willed woman, a banshee (no, they're not the same person) and two men who know how to please their women. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
