

Welcome to the World of Wolverines

By Diane Swanson

Walrus Books. Paperback / softback. Book Condition: new.

BRAND NEW, Welcome to the World of Wolverines, Diane Swanson, "Discover these fascinating and elusive creatures."

The wolverine is a fierce predator that tends to hunt in only the most remote wilderness areas. A relative of the mink, this dog-sized animal is capable of hunting deer or caribou and can drive a cougar from its kill. It can bite through bones with its powerful jaws or sniff out a field mouse, even under deep snow. The wolverine is a shy animal that tries to avoid contact with humans. Its population has decreased because of low birth rates and human settlements. Recognized as endangered, wolverines are considered a rare and vulnerable species. "About the series": Through full color wildlife photography and engaging text, Diane Swanson continues her acclaimed "Welcome to the World of." series, which contains nearly 30 titles and inspires, fascinates and educates children.
