The world of Internet Bridge. You will meet people from all over the world. Get to know them and their cultural differences. You will find they are nice, intelligent, interesting, and very humorous men and women who have enriched my life. Bridge brought us together, and many have become my friends. My partners have ranged in age from 14 to 94. I have played with doctors, lawyers, and an Indian Chief. There have also been teachers, writers, engineers, miners, ranchers, and scientists in every field. I have played with Bill Gates. People I would never have met within the boundaries of my real life. This is not an all-inclusive list. This is a book for bridge players and everyone else. Internet Bridge has some different rules, which are quickly explained, as are basic facts about the game. However, my focus is on the people. You will find yourself smiling, laughing, and touched by their stories. Variety is the spice of life and you will find it here.
