Reading the Map: Lessons in Genesis (Volume IV) (Paperback)

By Dr Randall D Smith

Gcbi Publications, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.One of the great stories of the Hebrew Scriptures is that of the patriarch Joseph. Beloved eleventh son of Jacob and firstborn of his mother Rachel, his life began with warmth and great promise as well as a special divine enabling manifested in dreams. Yet his jealous brothers were driven by rage to change his life, and he became a slave, sold into bondage in Egypt. Perhaps more than any other Biblical character, Joseph seems to have conquered bitterness, and learned how to accept difficulty as from God's hand. He did not resign to fatalism; he thrived amid the tough times and came through it all with a richer vision of God's goodness.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
