Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

BREAKER (PAPERBACK)

Running Press, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. Kyle Henry has a new name, a new school, and a new life--one without the shadow of the Bonebreaker hanging over him. It's been a year since his serial killer father's execution, and it finally looks like things are turning around for Kyle. Until he recognizes the girl sitting in the back row in homeroom. Naomi Steadman is immediately intrigued by Killdeer Academy's newcomer. She does not know he is the son of the man who murdered her mother. What she does know is she and Kyle have a connection with each other--and a spark that Kyle continues to back away from. Soon after Kyle's arrival, the death count on campus starts to rise. Someone is set on finishing what the Bonebreaker started, and murdering ghosts from the past may be the only thing that can stop the spree. Told in alternating viewpoints, Kat Ellis's tale of mystery and horror is full of broken bonds and new beginnings.
