

Qualitative Psychology: Introducing Radical Research (Paperback)

By Ian Parker

OPEN UNIVERSITY PRESS, United Kingdom, 2005. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. An introduction to the varieties of qualitative research in psychology is long overdue, and Parker's book should with its broad scope, accessible style, and controversial viewpoints on trends of the current qualitative wave, have a wide audience - Steinar Kvale, Aarhus University, Denmark. This is a wonderful, insightful and necessary book! It takes students through this complex terrain in a clear, readable and yet challenging way - Bronwyn Davies, University of Western Sydney, Australia. This book makes important contributions to theoretical, political and methodological debates on qualitative and action oriented research - Bernardo Jimenez-Dominguez, Universidad de Guadalajara, Mexico. For me personally, the book worked very well, I very much appreciated the fact that the book went beyond a presentation of the state of the art, and that it offered new ideas and suggestions about how to take qualitative research further - Qualitative Research in Psychology. This book is designed as a practical guide for students that is also grounded in the latest developments in theory in psychology. Readers are introduced to theoretical approaches...
