The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hendrickson Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Truth and Deception: The Bible and Your Work Study Series, Theology of Work Project, Virtually everyone knows that the people of God are supposed to tell the truth. Even though we recognize there are exceptions-protecting the innocent, guarding national security, and a few others-we remember how Jesus described himself as "the way and the truth and the life" (John 14:6), and we understand that truth is the way of life God calls us to. But our commitment to truth is often stretched thin in the workplace. Sometimes it seems that it is impossible to succeed at work by telling only the truth. Sometimes it even seems that the workplace is a different realm from the world Jesus inhabited, and that truth is actually out of place at work. In this study, we will emphasize why truth-telling is important, both for the believer and for the culture at large.
