Filesize: 2.12 MB

Reviews

Absolutely essential go through pdf. Yes, it is actually play, nevertheless an amazing and interesting literature. You are going to like how the article writer compose this book.
(Pinkie O'Hara)

AFGHANISTAN AND 9/11: THE ANATOMY OF A CONFLICT

Roli Books, New Delhi, India, 2002. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. The search through the ruins of the World Trade Center is complete. The Pentagon has been fully repaired. But has the war against terrorism been won? More Specifically, has the threat posed by Osama bin Laden's Al Qaeda organisation been contained? The most significant impact of the US military operation has, of course, been on the Taliban but will the United Front, back in power in Afghanistan, be able to reconstruct the devastated and bleak country, politically and economically? Afghanistan and 9/11 journeys through the ruins of the Twin Towers and the killing fields of Afghanistan to focus on the key question of whether the war against terror has been won? A compelling anthology authored by well-known national and international authors, the book is as informative as it is analytical. Printed Pages: 256. Size: 8.5 x 5.5 Inches.
