This is all very well, sir, he said to the officer, but this warrant contains no other name than mine, and so you have no right to expose thus to the public gaze the lady with whom I was travelling when you arrested me. I must beg of you to order your assistants to allow this carriage to drive on; then take me where you please, for I am ready to go with you. To the officer this request seemed a just one: he signed to his men to let the driver and the horses go on; and, they, who had waited only for this, lost no time in breaking through the crowd, which melted away before them; thus the woman escaped for whose safety the prisoner seemed so much concerned. This item ships from La Vergne, TN. Paperback.
