Brand New Book ***** Print on Demand *****.Excerpt from The Blue Bird: Souvenir Book Out of all the myriads of birds that fly through the sky there is one bird, blue as the sky itself, and this bird, the fairies tell us, brings to its possessor that which is most desired - in fact, it is the secret of happiness. It is more difficult to catch than any butterfly you ever saw, and just when you are surest of being able to lay your hands on it you are quite likely to find that it is far away. Mortals know very little about the Blue Bird, except that once you have seen its fluttering wings ahead of you, you must keep on following it as long as you live. Tytyl and Mytyl, the Woodcutters children, were told about the bird that is blue by the Fairy Berylune, who looked, somehow, very like Neighbor Berlingot. The Neighbors little girl was sick; nerves, the doctors called it, but the Fairy realized that all the little girl needed was the Blue Bird of Happiness. So she hobbled in on Christmas Eve, and sent Tytyl and Mytyl to search the world over until they should find the marvelous bird that was to cure the little sick girl. Of all the sights they saw and the things they did on this wondrous quest we are told in a play called after the bird itself; and if you like fairy adventures you had better ask the one among all your relatives who tells the nicest stories, and seems generally to understand the really interesting things in life, to take you to the play, where you will actually see what happened...
