iUniverse, United States, 2003. Paperback. Book Condition: New. 234 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.This collection of fantasy, science fiction, ghost stories, and amazing tales provides the reader with variety. In First Morning Star an archaeologist goes to the ends of the world seeking the origin of civilization. He finds it--in spades. In Fake Sleeper, a youth finds a creative way to win a drag race with a pooped out jalopy. Many stories flutter between worlds of the living and worlds of the dead. Their spectral cast haunts unsuspecting mortals, often from a recurring cemetery called Sarah s Lot. In Rob the Horrible, the undead protagonist wanders the world perplexed by effects his ghastly appearance have on the mortals he encounters. In The Beckoning, a ghost who first frightens a 1960s office lady turns out to be full of tenderness. Through his stark language, haunting imagery, and humor, author Peter Metevelis crosses culture and time with an unaffected easiness, spinning yarns that collectively offer a single experience across cultures. Even while crossing boundaries of time and culture, Prof. Metevelis continues to explore the riddle of mortality.
