Clans and Tartans (Hardback)

By Charles Maclean, Fritz von der Schulenberg

Pelican Publishing Company, United States, 1997. Hardback. Book Condition: New. 152 x 114 mm. Language: English . Brand New Book. Buchanan. Campbell. Macdonald. Robertson. Stewart. These are but a few of the Highland clans whose histories are profiled in Clans and Tartans . About one thousand years ago, the Gaelic word clann, which means children, first came into common usage. The earliest example of checked or striped cloth worn in Scotland is a fragment of two-color dog-tooth checked woolen fabric - the so-called Falkirk tartan - circa a.d. 235. However, prior to the sixteenth century, there is no evidence of the tartan as it is recognized today. Many of the Highland clans are profiled here, complete with color illustrations of their respective tartans. Also, clan lands, slogans, and plant badges are all listed. For example, for author Charles Maclean, the clan Maclean s lands include Mull, Morvern, Ardgour, Coll, and Tiree. The slogan is Bas no Beatha which means Death or Life. The Maclean plant badges are Crowberry and Holly. Finally, amateur genealogists will appreciate the helpful hints, complete with addresses, designed to aid those tracing their Scottish roots.

Reviews

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.
