University of Minnesota Press, United States, 2006. Paperback. Book Condition: New. First.. 201 x 152 mm. Language: English . Brand New Book. One of the field s most innovative thinkers reconsiders the purpose and practice of architecture. At the dawn of the twenty-first century, architecture is in a state of crisis. Through his thoughtful and nuanced consideration of architecture s ideological foundations and its relationship to ecology, politics, and technology, as well as his subtle understanding of the architect s interior life, Fisher challenges the demoralized design community to recapture its historical role as steward and visionary of...
