

The Daily 5: Fostering Literacy in the Elementary Grades (2nd)

Filesize: 4.15 MB

Reviews

A whole new e-book with an all new viewpoint. I could possibly comprehend every little thing using this created e pdf. I am just very happy to inform you that this is the greatest book i have read through within my own life and could be the best pdf for ever.
(Hank Treutel)

THE DAILY 5: FOSTERING LITERACY IN THE ELEMENTARY GRADES (2ND)

Stenhouse Publishers. Paperback / softback. Book Condition: new. BRAND NEW, The Daily 5: Fostering Literacy in the Elementary Grades (2nd), Gail Boushey, Joan Moser, "The Daily 5, Second Edition" retains the core literacy components that made the first edition one of the most widely read books in education and enhances these practices based on years of further experience in classrooms and compelling new brain research. The Daily 5 provides a way for any teacher to structure literacy (and now math) time to increase student independence and allow for individualized attention in small groups and one-on-one. Teachers and schools implementing the Daily 5 will do the following: Spend less time on classroom management and more time teaching. Help students develop independence, stamina, and accountability. Provide students with abundant time for practicing reading, writing, and math. Increase the time teachers spend with students one-on-one and in small groups. Improve schoolwide achievement and success in literacy and math. "The Daily 5, Second Edition" gives teachers everything they need to launch and sustain the Daily 5, including materials and setup, model behaviors, detailed lesson plans, specific tips for implementing each component, and solutions to common challenges. By following this simple and proven structure, teachers can move from a harried classroom toward one that hums with productive and engaged learners. What's new in the second edition: Detailed launch plans for the first three weeks. Full color photos, figures, and charts. Increased flexibility regarding when and how to introduce each Daily 5 choice. New chapter on differentiating instruction by age and stamina. Ideas about how to integrate the Daily 5 with the CAFE assessment system. New chapter on the Math Daily 3 structure.
