Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

OUP India, India, 2004. Hardback. Book Condition: New. 238 x 184 mm. Language: N/A. Brand New Book. This is a comprehensive textbook designed to meet the requirements of MBA students in Indian business schools. It deals with the marketing of services as a separate discipline as distinct from conventional business marketing. It presents its core concepts, and elucidates them through managerial applications. The book provides in-depth coverage of themes unique to the understanding of the subject. Among important topics discussed are: the elements of the marketing mix (people and the physical evidence of a service), the gap between expected and perceived service, customers role in service delivery, special pricing.
