The Kept Woman

By Susan Donovan

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, The Kept Woman, Susan Donovan, Ever since Samantha's husband ran out on her and their kids she's been working to clear the humungous debt he left behind, so it's time she had a lucky break. What she's not expecting is for that break to be Jack Tolliver, former governor of Indiana and the biggest womaniser in the state. He's running for the senate and needs a respectable woman by his handsome side to help clean up his image. So Sam accepts a bizarre business proposal - a fake engagement. All she has to do is play happy families until Jack's elected and then she'll get a big fat cheque and a lifestyle to die for. It's simple. Until, that is, the kiss occurs. That knee-trembling, electric kiss that Sam and Jack share. But that's just for show, right?.

Reviews

This pdf is worth buying. It is actually written in basic words and not confusing. It's been printed in a remarkably basic way in fact it is merely following. I finished reading this publication through which really altered me, affect the way I really believe.

Simply no words and phrases to clarify. It really is full of knowledge and wisdom. You won't feel monotony at any moment of the time (that's what catalogs are for relating to when you question me).
