injection mold CADCAECAM Technology

By WANG GUO ZHONG DENG

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 242 Publisher: Beijing University of Technology Press Pub. Date :1998-05. book on plastic injection mold design. mold manufacturing and injection molding machine used in engineering analysis techniques described in detail. The book is divided into seven chapters. Chapter systematically introduced the basic concepts of the mold CADCAECAM technology and features. and a brief description mold CADCAECAM technology trends. The second chapter details the application of mold CADCAECAM system and basic knowledge necessary for computer graphics processing technology. Chapter to Chapter V details the injection mold CADCAECAM technology. Chapter VI for the manufacture of high-grade. complex mold CNC machining equipment. such as CNC milling. machining centers. CNC EDM. CNC EDM. CMM. laser system. molding machines and other legislation. Chapter VII describes the general machinery CADCAE software CADD5 in the injection mold design. manufacturing development and application. This book is rich in content. viewpoint novel. wide adaptation. is one from a practical point of view. a comprehensive description of the injection mold CADCAECAM technology professional books. This book can serve as institutions for college students and graduate teaching....
